The public warrants are exercisable for shares of Enovix’s common stock at a price of \$11.50 per share. Pursuant to the warrant agreement, Enovix is entitled to redeem all of the outstanding public warrants if the last sale price of its common stock is at least \$18.00 per share on each of 20 trading days within any 30 trading-day period. This share price performance target was achieved on December 2, 2021. Any public warrants that remain unexercised immediately after 5:00 p.m., New York City time, on January 7, 2022 will be void and no longer exercisable, and the holders of those warrants will be entitled to receive \$0.01 per warrant. *If a holder of a public warrant does not wish for its public warrant to be redeemed, it must exercise such public warrant before 5:00 p.m., New York City time, on January 7, 2022.*

Public warrants must be exercised at a price of \$11.50 per share. As a result of the redemption of the outstanding public warrants, Enovix’s warrants will cease to be listed on the Nasdaq Capital Market, effective at the close of trading on January 7, 2022.
